To Whom it May Concern,

I am writing on behalf of the Uxbridge Police Department and Uxbridge Public Schools in expressing our sincerest "Thank you" to Lil' Iguana's Children Safety Foundation for their wonderful presentation made to the students at Taft Early Learning Center. Members of our department, as well as staff of Taft ELC, came away very impressed with the show. I personally was impressed with how sensitive topics were delivered to the children in a manner that was fun and they could understand. The children had an awesome time and we have had nothing but positive feedback from everyone who watched the show.

Our department has already begun to spread the word to neighboring communities about your outstanding performance. I will definitely be contacting Lil' Iguana in the future about having the program back in the Uxbridge Community.

Sincerely

Officer Daniel S. Deveau
